

# SHORELINE

Led by CoisCéim BROADREACH director Philippa Donnellan and composer Denis Clohessy, in association with the dlr LexIcon and Pavilion Theatre, SHORELINE invited people from Dún Laoghaire-Rathdown to share their stories and experiences about the sea, and create an original performance in choral song, musical composition and contemporary dance.

SHORELINE began in October 2018 with the artists leading song and creative dance workshops for 3 groups: children from Gaelscoil na Fuinseoige, members of the Encore Voices Choir, and The Dance Ensemble, a specially established performance group for people aged 50+.

# DIRECTOR'S NOTE

Welcome to the culmination of SHORELINE – a choral song and contemporary dance project inspired by the sea. I'd like to take this opportunity to thank everyone from Gaelscoil na Fuinseoige, Encore Voices Choir, and the Performance Group for their enthusiastic participation, and for diving into the unknown to create and perform some wonderful sea-themed contemporary choreography and song. A rich and powerful theme from which to draw upon it has been a truly oceanic journey of discovery - enjoy these celebratory performances! - Philippa Donnellan
